

Project 1 group reflection

Date and group number:

At the end of each session the group must complete and hand in this short reflective note. The notes will document progress and be part of the overall evaluation.

About the group work:

Who was present?

How did you work as a group today? All individual coding, one person coding for all, only discussion and no PC? Why?

Main confusion / frustration

Main breakthrough

Most useful AI-output of the session

A list of choices made (and why)
